

Make a BOO-MARK

Print us out, cut us out and fold us over for some reading fun.

You can draw your own Listener Sock Puppet on the back of the 'happy' one for those days that a happy face just doesn't sit right!

Get out your pencils, pens and paints and make the craziest Listener Sock Puppet you possibly can. If you LOVE it, send us a scan and we'll post it in our "Competitions" part of the Kid's Space for other kids to see!
